

**Hello everyone from The Shire News, your PJ '11 newspaper,**

The countdown is on, and **The Shire News** will be a big part of the PJ experience for you and those you leave at home. Here's what you need to know about contests for cool prizes, the daily newscasts, free pizza at PJ, and Good Turns:

### **Contests**

We want our paper and the PJ video to have lots of input from the youth at PJ so we have some great prizes to give away. Bring in your pictures, stories and videos to The Shire News shelter in the East Field.. If we use it, you will get a prize. Also, there will be contests for the first to complete the puzzles and other challenges in the daily paper, and for the best video of a Skit, Cheer and Song. Watch for further information in the first edition!

### **The Daily Newscast**

For the first time, we will broadcast the daily news on YouTube from Sunday to Friday so everyone can find out what's happening at PJ. The YouTube address is TheShireNews. Go to <http://www.youtube.com/watch?v=sdsV0tjQxZE> and sign up or sign in, then subscribe to the site to see the daily news from Camp Byng.

### **Embedded Reporters and Free Pizza**

We want units to take reporters along on one of their adventures. They will give first-hand reports on your experience. If you take one along with you, your name goes into a draw for a free pizza dinner for your unit. Sign your unit up at The Shire News shelter in the East Field. Your leaders must agree to take the reporter along!

### **Good Turns**

The Shire News will be patrolling the camp and activities, keeping a sharp eye on YOU, whether a participant or OOS. If we catch you doing a good turn, you will get an instant prize. Remember, you never know when we'll turn up, so keep those random acts of kindness going.

See you at PJ!
