

Welcome to Gondor!

Your Subcamp is your “home away from home” while you join the “Quest for the Rings” and participate in all the fun and excitement of PJ 2011.

Many of the volunteer Service Scouters in Subcamp Gondor are from Alberta, added to some local BC members who will provide excellent local knowledge to participants and staff alike. The Subcamp Service Team consists of both adult and youth members.

Your Service Team has been working diligently to be as prepared as possible for an awesome Jamboree week. The preparation started months ago and will continue until Arrival day.

We would like all units to be as prepared as possible too! Please keep in mind:

- change is inevitable – be prepared and flexible because program, directions, meals, meeting places, buses etc. will change
- gain as much knowledge and experience as you can for your quest; camp, camp, camp, practice your cooking skills, practice packing your personal gear and your unit gear, etc.
- ask questions – of PJ, your Subcamp, other Scouters and youth who have Jamboree experience
- get sleep! Before and during the Jamboree

Subcamp Gondor will be a busy, fun and safe haven for participants during PJ’11. The Service Team is here to have all members of our Subcamp and the Jamboree have a GREAT time!

The Quest begins!

Chris W. Shantz
Subcamp Chief
